Experts Invited to Discuss Various Reform Plans in Effect Elsewhere.

FIRST SESSION JANUARY 20

That Date Selected in Order That Members of Legislature May Attend.

A conference of the business men, professional men and farmers of the State to discuss plans for reform of the Virginia tax system will meet in Richmond on January 20, 21 and 22.

The call for the conference was issued by the Richmond Chamber of Commerce through its legislative committee.

Prominent tax experts and students of political economy from other states have been invited to attend and compare their tax plans with those now under consideration in Virginia.

The sessions will be held in the auditorium of the Richmond Hotel.

Among those who have been asked by the chamber to speak are Professor Thomas Walker Page, of the University of Virginia, A. C. Pleydell, secretary of the New York Tax Reform Association, T. S. Adams, chairman of the Virginia Tax Commission, and Professor Edwin H. A. Seligman, of Columbia University.

To Compare Systems. These tax authorities will be asked to discuss the proposed tax reform systems which are to be introduced in the Legislature.

Men in the various professions will be invited to explain his system, which is designed to remedy the evils of double taxation.

Invitations have been sent to every business and commercial organization in the State. The chamber hopes to secure representatives of the State's commercial, manufacturing, agricultural, timber, mineral and fishing interests.

ESTIMATES COST OF NEW HOSPITAL

Hirschberg Says Upkeep Charge of Virginia Hospital Will Be \$84,000.

On Basis of 225 Patients Daily Expense Will Be \$1.02 a Person.

Increased Cost, \$26,000. In round numbers, Mr. Hirschberg estimates, it will cost the city \$26,000 more next year to maintain the Virginia Hospital than it would cost to keep the municipal hospital at the City Home.

The computation is based on an average of 225 patients a day for 365 days. During the year covered by the last report of Superintendent Cabell, the number of patients at the City Home averaged 118 daily.

It is expected that the removal to the Virginia Hospital will mean a large increase in the number of patients that will apply to the city for relief.

"Considerable anxiety has been expressed about the accommodations for the sick of the colored race," said Mr. Hirschberg, yesterday.

The budget of wants for the Virginia Hospital for 1914 is divided as follows: \$25,000 for salaries, \$25,000 for supplies, \$25,000 for fuel, \$25,000 for repairs, \$25,000 for maintenance, \$25,000 for contingencies, \$25,000 for interest, \$25,000 for depreciation, \$25,000 for other expenses.

ELECTRICIANS LOSE FIGHT

Amended Measure Contains No Regulations as to Number of Helpers.

In the belief that it would be idle to attempt to frame an electrical ordinance to meet the views of both electricians and contractors, a special subcommittee from the Council Committee on Ordinances last night discarded the various schedules of amendments submitted to the committee, and recommended for adoption a substitute ordinance prepared by the City Electrical Department.

The measure recommended was originally submitted to the old Council Committee on Electricity. With the specification of the committee the paper proposed a right for almost a year to be retained for the last night and again placed in the way of becoming law.
